Promotion Ideas for 2020:

- We will be advertising on Facebook to register for curling, we ask GCC members to share our registration page and our registration night with their friends.
- If we have Try Curling Nights, we will make a Facebook event and share it with members and the general public. The host(s) of the Try Curling nights, will also promote within their circle of friends.
- Check to see that GCC is included in the County of Kings Recreation Handbook that goes out in the flyers.
- Take an ad out in the Grapevine, Family Fun Newsletter and Valley Events.
- Advertise our registration night in the Advertiser and Register, Chronicle Herald and The Anthaneam.
- Put registration night out on radio at AVR, Magic, K-Rock, Valley Christian News, Axe Radio, CBC Radio1.
- If anyone has any ideas, suggestions, or would like to volunteer, please contact Karla.
